Happy Feet Classes

HappyFeet Instructor: Coach "A" Anthony: Anthony has played competitive soccer for over 21 years and also continues to play to this day. Not only is he a college graduate, but also was a four year starter at Menlo College in Menlo Park, California, where he was honored by being selected to the All Conference Squad his junior and senior year . He is originally from Yakima, WA, but after coaching with HappyFeet for over a year in Boise, Idaho; he has decided to come home and start this worthwhile program in the PNW.

Benefits:

SAVE TIME AND MONEY!!

With your children in HappyFeet at school during the day you won't have to make extra trips to a soccer or sports program in the evening. You save time, the cost of gas, plus car wear and tear.

INCREASES FAMILY TOGETHERNESS AND BONDING!!

With one less after school sports practice to attend the family is able to spend more time together.

SPECIFIC SPORT HEAD START!! HappyFeet is a truly great preparation program for soccer teams at all later levels, (club, high school, college and pro'). Your child will truly enjoy and benefit from the HappyFeet experience at an early age while developing tremendous skills and the foundation of leadership character for all subsequent soccer involvement. By enrolling your child in HappyFeet classes and/or leagues you are providing him/her with a guaranteed "head start" to a specific sports goal
